Description	Hello. I'm sending this FOIA to this address because the address provided on the Navy's website wasn't working. Please note, I have broken down this request in three segments. The first regards the Naval Academy, the second deals with personnel matters and the third requests budget information from headquarters. Pursuant to FOIA, we request the following and request we be advised if the cost of this request is expected to exceed \$50 before incurring the expense. We request we not be charged for this request, because we are a newspaper of general circulation located in the city next to the U.S. Air Force Academy, which is the subject of this story. The request submitted here is for comparison purposes to the USAFA. Can you please confirm receipt of this request, and give me a call if you have questions? Thanks.
